Abstract: The Office of Communications is the official source of news and information at the University of Massachusetts Medical School (UMMS). The records in this collection consist mainly of Office of Communications documents, publications, and other materials created between 1962 and 2016.

Access Restrictions: Access to most material in this collection is unrestricted. Access to restricted material is accessible by permission of the Archivist and may be requested by completing a "Restricted Records Access Request" form.

Preferred Citation: The proper citation format for any item from this collection is:

Office of Communications Records, University of Massachusetts Medical School Archives,
Lamar Soutter Library, University of Massachusetts Medical School, Worcester, Massachusetts.

Processing Information: This collection was partially processed by Alyssa Schaefer in November 2017. Processing was completed by Kristine Sjostedt in December 2019.

Biographical Note: The Office of Communications is the official source of news and information at the University of Massachusetts Medical School (UMMS). Originally named the Office of Public Information and Development, its name changed to the Office of Public Affairs and Publications in 1981. Its name changed again in 2010 to the Office of Communications.

Scope and Content: The Office of Communications Records span from 1962 to 2016 and comprises publications such as UMMS catalogs, brochures, annual reports, and advertising. It also

contains news clips and press releases related to research, disease information, UMMS and University of Massachusetts Medical Center (UMMC) awards, and UMMS/UMMC building projects and campus development. Also included are records relating to UMMS history, UMMC and UMMS policies and department information, community outreach, foundations, and UMMS commencements. Materials include drafts, notes, memos, correspondence, press releases, news clips, advertisements, and reports.

Series and Subseries in the Collection: The collection is arranged in alphabetical and topical order. Boxes 1 through 10 have been kept in their original order and are arranged alphabetically by topic as follows:
