Student Approval Form for the Graduate School of Biomedical Sciences

Student Name: Sagar V Kathuria
Program: BMP
Title: Sequence determinants of the folding free-energy landscape of ba-repeat proteins

Student Agreement:
I hereby grant to the University of Massachusetts Graduate School of Biomedical Sciences, the Lamar Soutter Library, and its agents the non-exclusive license to archive and make accessible, under the conditions specified below, the aforementioned document in whole or in part in all forms of media, now or hereafter known. I retain all ownership rights to the copyright of the dissertation. I also retain the right to use in future works (such as articles or books) all or part of this thesis, dissertation, or project report.

I hereby certify that, if appropriate, I have obtained and attached written permission statements from the owner(s) of each third party copyrighted matter to be included in my thesis or dissertation, allowing distribution as specified below. I certify that the version I submitted is the same as that approved by my advisory committee.

Student and Advisor Agreement:
We, the student and advisor, agree that the aforementioned document be placed in the electronic archive with the following status: (choose one)

☒ 1. Release the entire work immediately for access worldwide.
☐ 2. Release the title, author, and abstract immediately for access worldwide. After one year* has passed, the entire work will be released worldwide.
