Hi Bob,

I will look into this. We don't control the release, we just approve the extension. I will point out that it has been a year since the one-year extension was approved.

Dear Mary Ellen,

What happened with this? We wanted to embargo this because the paper is not published. Can this be reversed?

Bob

Hi Bob,

I thought the dissertation embargo was for a year, but I checked yesterday and Ryan's thesis is now available.

Dear Ryan,

This is approved.

Can I ask that you let us know when the paper is published and the embargo can be lifted?

Thanks,

Mary Ellen
