NIH Basic Resources:
Discovering Health and Understanding Wellness

Catherine L. Martin, M.Ed.
Community Engagement Coordinator
All of Us Research Program
Email: Catherine.Martin@umassmed.edu
Objectives

- Identify how the National Network of Libraries engages with public, academic and medical libraries at a national level

- Demonstrate a more diverse understanding of NIH’s online resources to promote health and wellness

- Understand Precision Medicine and how it relates to the national All of Us Research Program
National Institute of Medicine

- Physical library located in Bethesda, MD on the campus of the National Institutes of Health
- Largest biomedical library in the world
- One of the Federal government’s largest providers of digital content
- The Library is open to all and has many services and resources.
National Network of Libraries of Medicine

- **NIH**
  - National Institutes of Health
  - The nation’s medical research agency, comprised of 27 Institutes and Centers

- **NLM**
  - National Library of Medicine
  - An NIH Institute and the world’s largest biomedical library

- **NNLM**
  - National Network of Libraries of Medicine
  - Comprised of 8 Regional Medical Libraries and 5 Offices

- **RML**
  - Regional Medical Library
  - 8 university health science libraries serve as regional offices to promote and provide access to health information in their communities
NNLM - Regions

1 - Mid Atlantic RML – University of Pittsburgh

2 – Southeastern RML - University of Maryland, Baltimore

3 – Greater Midwest RML - University of Iowa, Iowa City

4 – Mid Continental RML - University of Utah, Salt Lake City

5 – South Central RML – University of North Texas Health Science Center, Fort Worth

6 – Pacific Northwest RML – University of Washington, Seattle

7 – Pacific Southwest RML – University of California, Los Angeles

8 – New England RML – University of Massachusetts Medical School, Worcester
About The All of Us Research Program

We want to speed up medical research. And we’re asking one million people to help lead the way.
