Throughout the workshop, participants can expect to:
- Share lessons from current digital endpoint validation efforts.
- Highlight existing and emerging digital health technologies.
- Discuss shared gaps and opportunities across neurological and neuromuscular disorders.

Each day of the workshop is centered on a set of functional domains and closes with a special session or topic area such as regulatory pathways and breakout sessions.
- Day 1 (September 18th, 2023): Motor Function
- Day 2 (September 29th, 2023): Autonomic, Sleep and Pain/Sensory Function
- Day 3 (October 10th, 2023): Cognitive Function

K Award
Research Writing Group

Next Meetings
August 8th & 22nd, 2023 – 4:00-5:00 PM – Virtual, Zoom

The K Award Writing Group supports junior faculty in the development of K-level “Mentored Research Scientist Career Development Award” applications. According to NIH, the award is intended to provide either progressive training or further experience in research related to biomedical, behavioral, or clinical sciences. The mentored approach provides the knowledge required for the K-Awardee to progress into an independent researcher over the award period.

K Award Group meets bi-weekly on the 2nd and 4th Wednesdays of the month from 4-5 pm via Zoom. Attendance at K Award Group meetings can be for information purposes and/or for review of your application. The group meets to outline the K-Award writing process and to review material being submitted by/to the group for input.

To register to attend the K Award Group, please email
Robyn.Leonard@umassmed.edu.
