Regional Medical Libraries for the Network of the National Library of Medicine:

Region 7. NLM 2 UG4 LM012347-06, National Institutes of Health, National Library of Medicine, 5/1/21-4/30/26, \$6.2 million. Mary Piorun, Principal Investigator. Jessica Kilham, Associate Director. To provide information, outreach, and resource sharing services to health professionals and consumers in six New England states and New York State.

National Public Health Coordination Office. NLM 2 UG4 LM012347-06, National Institutes of Health, National Library of Medicine, 5/1/21-4/30/26, \$2.1 million. Mary Piorun, Principal Investigator. Javier Crespo, Manager. To improve understanding and utilization of trusted evidence-based resources within Public Health Departments via a developed prototype digital library to expand PH Departments' access to national and global public health information and training opportunities.

National Center for Data Services Administrative Supplement. NLM 2 UG4 LM012347-06, National Institutes of Health, National Library of Medicine, 5/1/21-4/30/26, \$2.4 million. Mary Piorun, Principal Investigator. 3 UG4 LM012347-06S1 Subrecipient NYU Grossman School of Medicine, Alisa Surkis, PI. To coordinate the work of the NNLM Data Science Working Group (DSWG) and the Regional Medical Libraries (RMLs) around development and delivery of data science training and resources.

Exposing the Deep Content of the Publication: Knowledge Extraction for Neuroimaging in Child Psychiatry. NIH 5 R01 MH083320-09, NIH-National Institute of Mental Health, 9/23/16-6/30/22, \$2,500 - FY22 LSL. David N. Kennedy, Principal Investigator. Leah Honor, Informationist. The informationist supports the dissemination and implementation of a repository-based image citation schema meant to facilitate the precision and prominence of data citations, as well as helping to develop a framework for claims modeling and automated publication markup to more robustly interrogate not only the conclusions, but the underlying data and software tools presented in published research.

JCOIN Coordination and Translation Center – Research Education. Subaward from George Mason University (NIDA-NIH), 6/15/19-8/31/22, \$9,133 - FY22 LSL. Warren Ferguson, Principal Investigator. Becky Baltich-Nelson, Personal Librarian. The personal librarian supports JCOIN LEAP program by providing reference services for program participants, leading library orientation and PubMed search skills sessions via Zoom, developing educational modules for the learning management system, and participating in the monthly meetings for each LEAP group.
